

CE-Manufacturer's statement

(in the sense of Appendix II 1 A of the machine guideline CE-RL 2006/42/CE)

The manufacturer

ipp pump products GmbH
Feldmühlenweg 6-10
D-49593 Bersenbrück

Declares that the following mentioned pump unit as well their accessories in the supplied execution comply with above mentioned guideline including those modifications valid at the date of the declaration, in accordance with machine guideline CE-RL 2006/42/CE, Appendix II 1 A.

Product description: Lobe pump
Product name: Premiumlobe

The following harmonized rules have been applied:

- DIN EN 809 Pumps and pump units for liquids, General safety-related requirements, German version EN809: 2012-10
- DIN EN ISO 12100 Safety of machinery
General principles for design - Risk assessment and risk reduction general guiding principles German version EN ISO 12100:2010

The ipp-Premiumlobe may only be operated if the conformity of the machine in which the pump is installed, complies with the safety requirements according to the CE guideline 2006/42/CE and their amendments and has been declared to be in compliance with it.
